IFL Semi-Final & Final

Mosque is through to the
Semis on the:

12th April at 7:00 pm

Holy Qur'an:

Muhammad is not the father of any of your men, but *he is* the Messenger of Allah and the Seal of the Prophets; and Allah has full knowledge of all things. (Al Ahzab, Ch.33: V.41)

Hadith:

Hadhrat Ummul Mumineen, Aisha Siddiqua [ra] stated:

“Certainly do say he is the Seal of all Prophets, but do not say there is no Prophet after him”.
(Takma Majma ul Bahar p45)

Assalamu Alaikum wa Rahmatullahi wa Barakatuhu,

My dear brothers I hope and pray that all of you are in the best of health. This month has been a very busy and exciting month for our Qiadat mainly due to the success of our football team in the IFL who have now reached the Semi Finals and also due to the great success of our 1ST Badminton Doubles Tournament. I would like to take this chance to remind you all of how lucky we are to live so close to Huzur Aqdas (aba), we all live within a 5 minutes walk of Masjid Fazl, as a result of which I believe that our top priority should be performing Salaat behind Huzur Aqdas (aba), our day to day life should revolve around each prayer, allowing us to not only increase our brotherhood when meeting our brothers at the mosque but also allowing each and every one of us to get closer to Allah the Almighty! As you all should know by now our Regional Ijtima is coming up very soon I request that all of you take appropriate time out from your daily routines to attend this event and take part in not only academic competitions but also sports competitions. I shall soon be calling each and every one of you to remind and talk to you about the Ijtima and the various events that you can take part in, this year we are allowing you to choose beforehand what sports competitions you would like to take part in. Wassalam,

Tahir Mahmood

Huzur Aqdas (aba)'s first Ijtima Address to Majlis Khuddamul Ahmadiyya UK in 2003 Part 1

“Today, since Germany's Ijtima is also reaching its conclusion, I also address Majlis Khuddamul Ahmadiyya Germany in this speech.

After the passing of Hadhrat Khalifatul IV, many Jamaats and their auxiliary organisations passed resolutions, in which they restated their intentions to complete his works and make every sacrifice to fulfil his wishes. Such promises have come in from many Jama'ats, such as Khuddamul Ahmadiyya UK, Germany, and Pakistan. In relation to this I wish to mention one such desire of Hadhrat Khalifatul Masih IV, which Alhamdulillah, Majlis Khuddamul Ahmadiyya UK is already working towards, that is to make people steadfast in Salaat.

Being steadfast in Salaat means to offer prayers on time and in congregation. The example set by Hadhrat Khalifatul Masih IV regarding Salaat is testimony to us all. Apart from the recent severe illness, he did not let other illnesses stop him from leading Salat in congregation in the mosque, despite there being permission in Islam to offer prayer at home during illness.

Why did he take on such hardship upon himself? He did this only so the Jama'at could understand the importance of Salaat in congregation. In these times when the world has become materialistic, Allah's command of offering Salaat at its appointed time is extremely important and very necessary. Hadhrat Khalifatul Masih IV recognised that the Jama'at was not at the required standard in offering Salaat. In fact he saw that the standard of Salaat was at a low level and to raise its level required a great effort.

In this matter, Hadhrat Khalifatul Masih IV once said:

“As far as the Jama'at's general spiritual condition during these times of hardship is concerned, there is no doubt that by the grace of Allah the Jama'at's spiritual condition has greatly improved. In the matter of righteous deeds, a new spirit of obedience is seen. In large numbers, their hearts are anxious to announce acceptance of the message and whenever the Jama'at is called towards good deeds, they accept the message with devotion and purity of heart.”

This fills my heart with praise for Allah, but such devotion by the Jama'at is not enough, unless they have a permanent relationship with Allah, in which Salaat and the worship of Allah has permanent importance. If this is not the case, then such devotion and obedience is like the changing of the seasons. Worshiping Allah is not like the changing of the seasons. The worship of Allah throughout one's life must be like a permanent bond with Allah, indeed worship is as essential and can be compared to the air we breathe. There are many factors in sustaining life, however the importance of breathing air in sustaining life is the central, most important and essential, and it is required at every moment.

Majlis Ansar Sultanul Qalam

Hadhrat Khalifatul Masih V (aba) issued an instruction at the 2011 National Germany Ijtema that it is his desire for every Khadim to become an active member of Majlis Ansar Sultanul Qalam. I would like to, therefore, call upon each Khadim and older Tifl to meet the call of our beloved Huzur (aba) and join this blessed and worthwhile organisation. He directed this instruction to members at both the UK and German Ijtema'at at an unprecedented live broadcast of the final session.

“Allah has named me Sultan Al Qalam, the ‘King of the Pen,’ and has called my pen the Zulfiqar Ali or the ‘Sword of Ali.’”

(Al-Hakam, Vol. V, No.22, page 2)

And so Allah the Almighty endowed the Promised Messiah (as) the gift of conducting the most eloquent Jihad by means of his magnificent Pen. Hadhrat Masih-e-Maud (as) became the embodiment of this title, collating over 3000 allegations against Islam which he masterfully refuted in his masterpiece ‘Braheen-e-Ahmadiyya’.

Highlighting the need of the age, Hadhrat Masih-e-Maud (as) also said:

“... it is with the pen that Islam is being attacked. That is why it is necessary that the pen should be used to rebut the attacks. **God the Almighty says in the Holy Qur’an that you should make preparation to defend yourselves with the same kind of weapons as the opponents happen to use.** Think of the preparations that the opponents of Islam are now making. They are not lining up the armies. **They are publishing magazines and books. We also should, therefore, pick up our pen and answer their attacks with magazines and books.**” (*Malfoozat, Vol. 8, p. 20*).

Mosque @ IFL South Semi-Final 2013

After a really tight and tough match in the last 16 stage against Lower Morden, Mosque gained a well fought victory in the penalty stage of the match, Mosque headed off to the quarter finals on the 16th of March against Barking for a place in the semifinals. Despite missing Captain Mussawir Dogar, Mosque players kept spirits up and started off the match in a really positive way. Coming in to the match against group winners Barking we knew it would be a challenge.

It was a game full of goals, mostly in Barking's net, as a result of which we were announced as the 'team of the day'. Mosque left Barking behind with a score of 7-1, with Muzammil Dogar and Mudassir Dogar both scoring twice, as well as fantastic goals from Luqman Dean to score Mosque's 1st and 6th. Our vice-captain finished the game off with a goal from the corner flag, to leave Barking shocked. The combination of Kamran's speed, Billu's skill and Muzammil's finishing proved to be too much for Barking, Mosque showed really good chemistry and skill to go through to the semi-finals on the 6th of April. "We are going in to the Semis with a really good chance of gaining a spot in the finals as past experiences against Redbridge North show us that we may again be triumphant in style"

Mosque @ Peace Symposium 2013

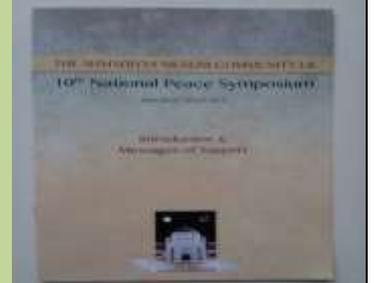

On March 23rd Jama'at UK held its annual Peace Symposium, to which various MPs, Lords, Mayors and diplomats were invited from all over the country and the World. This year Mr Andrew Bennet leader of the Office of Religious Freedom for Canada attended and spoke to the attendees, alongside MPs such as Andrew Harper, Siobhan McDonagh who is the MP representing Morden and Merton the Constituencies in which Baitul Futuh Mosque stands, after the speeches from guests were completed the Peace Prize was given to the winner by Huzur (aba) who then delivered the keynote address.

A total of 10 Khuddam from Mosque took part in the setup of the venue for this event. On Thursday the 21st, 7 Khuddam went to Baitul Futuh to setup the ladies venue for the symposium in Nasir Hall, Khuddam accompanied by Qaid Sahib erected the stage, seating and eating area. This involved the setting up of tables, bringing of chairs and crockery and then lining tables with cloth, plates and other crockery. Khuddam then started help in the setting up of the stage which was quite a long and strenuous job but after trying and trying they were able to finally make it look perfect!

On Friday the Khuddam helped in the setting up of the men's venue for the event, which involved much of the same work but due to the size of the venue being much larger it took a lot more effort and time. Again Khuddam helped in the setting up of the stage which was again a very time consuming task, but one that they thoroughly enjoyed.

Finally on the 23rd of March the day of the event 8 Khuddam and 1 Tifl from Mosque attended the event, this time however their task was to serve the guests at the symposium, however the guests we were asked to serve turned out to be the ones seated on Huzur (aba)'s table, which was not only a great honor but also an exciting and hard task, Khuddam had to show the upmost respect and kindness to the guests as they were not only the guests of the Jama'at but more over Huzur (aba)'s guests.

Khuddam very much enjoyed this event, not only did they get some experience but they also got the chance to listen to some great speeches and meet some wonderful people!

Mosque@1st Annual Inter-Qiadat Badminton Tournament 2013

This month we decided to hold a Badminton tournament for all of the Qiادات in the Region as we had been planning for about 2 months. First Qaid sahib decided on an organizing committee for the tournament.

The committee met a total of 7 times before the tournament, not each Nazim attended the meeting but everyone was kept up to speed regarding all matters. The committee decided on dates after consulting the Amila and regular badminton players, Qaid Sahib and Nazim-e-Alaa both talked to the Regional Amila members and Qaideen about the tournament and asked Qaideen to make sure that Khuddam from their Qiادات attended the event. The committee also created and proofed a poster to advertise the event to Khuddam throughout the Region as we had decided that we would like to make this an Inter-Qiadat Tournament.

Two weeks before the tournament we decided to invite Sadr Majlis MKA UK to the event as we had found out that a lot of Khuddam had registered to take part in the tournament, so it would be good for the Khuddam to meet Sadr Majlis. Qaid Sahib spoke to Sadr Majlis who agreed to attend the event; we also invited Mohtamim Muqami and Mohtamim Baitun Noor. The reason for inviting Mohtamim Baitun Noor was because when looking back at Regional Amila meeting minutes from November Qaid Sahib and Nazim-e-Alaa sahib read that Sadr Majlis had spoken of strengthening the bonds between Regions and Qiادات so we thought the best way to do this was to invite Mohtamim Baitun Noor providing him with an introduction to our Qiadat and Region, in the hope that he would enjoy the experience and hopefully encourage future events with Muqami on both a Regional and Qiadat Level.

Finally the day of the tournament had come. The committee and Khuddam arrived at the venue 2 hours before the opening session and set up the area. The fixtures draw for the tournament had been done the night before in the presence of 60% of the registered pairs for the tournament. On the day Sadr Majlis alongside Naib Mohtamim Muqami and Qaid sahib Fazl Mosque led the Opening session after which Sadr Majlis watched a warm up match between the tournament favourites. After Sadr Majlis left the main fixtures began. The final session was attended by Mohtamim Muqami, Baitun Noor, National Motamid and Dr Tariq Anwar Bajwa Sahib National Secretary Tehrik-e-Jadid UK. In total 32 Players took part and 55 people attended the final of the tournament. Alhamdulillah khuddam were very happy with the event and had a great time. Insha'Allah we shall make this an annual event and we will hopefully improve next year.
