## Writings of Hazrat Masih Maud <sup>AS</sup>

"I know for certain that the burden of the sins of  
those people who commit murders through  
ignorance on account of such preaching's, and  
who are unaware of the reason why Islam had  
to fight battles in its early stages, lies on the  
necks of these maulvis who go on propagating  
secretly these dangerous doctrines which result  
in such grievous loss of life."
