product marketing manager

du

At du, our strategy is simple: we hire great people and encourage them to reach their goals. We look for people who are friendly, committed and proactive. And we're looking for a Product Marketing Manager to join us in Dubai, UAE.

In a nutshell

You'll be responsible for the development of the overall carrier services marketing.

What you'll be doing

Analysing and designing the pricing models, the role also includes monitoring the business performance indicators. Your marketing plans will give strategic direction to this specific unit with clear, achievable objectives.

Additional Information

Industry: Carrier Services

Job Location: Dubai, United Arab Emirates

Required Skills: What you need to have
OK, now for the serious bit:

A related Bachelor's degree, fluency in English is a must and Arabic a plus. You should have at least five years' experience in the telecoms industry, particularly in analysing or consulting in carrier services financial data models, and a proven track record in their implementation.

Join us.
