Local Qiadat Highlights

Guildford

By the grace of Allah, Guildford completed a successful **Festive Food Drive** in Woking high street.

While there were three khuddam who helped in purchasing and delivering the food, over 10 khuddam made donations to raise funds!

In the end there were some leftovers left which were delivered to York Road Project, a charity dedicated to helping the homeless.

In fact, MKA Guildford have developed an excellent relationship with York Road Project, as a result of their khuddam's regular donations - we even received a letter of appreciation from the charity's CEO!

Reading

On 26th December, Reading held a **Tabligh stall** in Reading town centre. This was a great Tabligh opportunity on Boxing Day as there was a high footfall of people between 10am and 2pm!

This Tabligh stall was run by three khuddam who managed to distribute approximately 150 leaflets, and also made two Tabligh contacts. MashAllah.

On the same day, 3 khuddam from Reading also performed Waqar-e-Amal at Jamia.

This included setting up bedding, chairs and tables for the Winter Retreat taking place for Atfal and Khuddam aged 14-19!

Walton-on-Thames

Amongst the numerous general meetings Walton Qiadat had, the Tarbiyyat session with Nisar Orchard Sb was the highlight.

During this session, contemporary issues were discussed such as safeguarding ourselves and one's children from the Fitna of the West, as well as awareness regarding the conflict in Gaza.

Through Nisar Orchard Sb's anecdotes, the participants were able to gain faith inspiring lessons.

Walton Qiadat has also been offering Fajr prayers in congregation at the local hall, along with weekly badminton sessions.

Oxford

On 17th December, Oxford had a very active day which started with a Tabligh activity including the distribution of True Islam and peace flyers at Oxford City Center.

Oxford Khuddam then conducted a homeless food drive, before concluding the day with Oxford's General Meeting where the importance of financial sacrifice and Waqfe Jadid was highlighted in particular. MashAllah.

A few days later on the 20th, khuddam from Oxford Jamaat banded together once again to conduct another food drive.

By the Grace of Allah a total of 70kg of food was collected and donated.
