# IJTEMA SUMMARY

Date: 5th April 2025

Location: Islamabad, Tilford

The Bashir Regional Ijtema 2025, organised by Majlis Khuddamul Ahmadiyya Bashir Region, was held on Saturday, 5th April at the blessed site of Islamabad, Tilford. The Ijtema brought together both Atfal and Khuddam from across the region for a day filled with spiritual, educational, and recreational activities.

The programme featured sports competitions, including football and cricket, which promoted teamwork, fitness, and brotherhood among the participants.

A range of academic competitions were also held, allowing members to showcase their talents and deepen their religious knowledge. These included Tilawat, Nazm, speeches, and Azan.

One of the most engaging areas of the Ijtema was the “Hub”, which offered fun and interactive activities such as FIFA gaming, “Letter to Huzoor” writing, milkshakes, and more. This space was especially popular with the youth and helped create a relaxed and friendly atmosphere.

The main highlight of the day was the blessed opportunity to offer prayers behind Huzoor (aba), a moment that left a deep spiritual impact on all attendees. Khuddam were also able to see Huzoor (aba) when he came out during the course of the day and warmly offered their Salam.

We were also honoured by the presence of Sadr Majlis Khuddamul Ahmadiyya UK, who joined us for lunch and a special Q&A session, providing guidance and inspiration to both Khuddam and Atfal.

Alhamdulillah, the Ijtema was a resounding success, serving as a source of spiritual upliftment, camaraderie, and motivation for all who attended.
